7. As a follow-up, [redacted] agreed to provide the Committee with information on recommendations made to the DCI by the Intelligence Producers Council which accompanied the Information Damage Assessment. He also agreed to attempt to remove particularly sensitive NSA information from Task Group Reports 2 and 5, and to make the sanitized versions available to the Committee staff in mid-March (see attached letter). The unexpurgated reports are available to Committee Members and the two Staff Directors only. Report No. 1 will not be sanitized and the Committee staff indicated they would not need it. [redacted]
